What is a Societies Rep?

Societies Reps are students elected to represent all student societies at UoG. They use their experience as Society Committee Members and members of the Activities and Opportunities Sub-Council to make sure the voice of societies is heard at Student Council.

There are four Societies Rep roles available.

What would I be doing?

As a Societies Rep, you'll:

- Represent the feedback and priorities of students involved in societies.
- Use your experience as a Society Committee Member to raise issues and ideas at Student Council.
- Work with other Reps, Officers and SU staff to improve the experience of running and being part of societies.
- Help shape SU campaigns and decisions that support community, inclusion and student life.

It's not an extra workload, you'll just attend four Student Council meetings a year to make sure the voice of societies is heard.

It's a simple but meaningful leadership role that builds skills, connections and influence across the University.

You'll receive full training and ongoing support from the SU team to help you get the most out of the role.

How do I apply?

These roles are filled through an election – that means you'll need to nominate yourself and campaign for votes. Don't worry, we'll support you with guidance and training to help you along the way.
