City Council**

Course Rep Accreditation

As course reps you voluntarily put in several hours to ensure your courses voice is heard, ensuring that the quality of student's education is upheld, and for this you deserve recognition.

By enrolling in the CRA you will be recognised and rewarded with tangibly with LinkedIn badges and certificates contributing to your employability after university.

These awards are also co-accredited by Gloucester City Council, making the awards more widely recognised.

For all the skills you gain, we will be hosting a CV workshop that shows you how to write them into your CV effectively to show off your skills to employers.

The three levels of accreditation

Emerging

Advocate

Leader

- ☐ Write/ Help write a Policy Paper for Student Council/ Sub Council.
- ☐ Have a one-to-one with Education and Community officer / or a member of the Student Voice team.

Reward: Certificate + LinkedIn Badge + Award at SU award night

How is progress recorded

SVCO's and the Education and Community officer will be the ones logging your progress through checking in on your uploads, marking attendance

Support

SVCO's, Officers and the Student voice team are here to support you! If you are confused about what counts towards a part of the certification ask!

When do you get the badges/certificates

At the end of Term 2 right around the time of SU awards night! If you reach leader status you will also be getting an award on the main stage! We will also be doing a webinar on how to attach the badges to LinkedIn and a CV class!
