

The Student Voice: Course Representatives

Dialogue

- Course representatives maintain an ongoing dialogue with peers so that they can represent their views effectively
- Academic Course Leaders (ACLs) maintain ongoing dialogue with course representatives

Focus

- Meetings between ACLs and course representatives will focus upon:
- Receiving feedback, including the SimOn report, and closing the feedback loop
- Involving course representatives in decisions about learning opportunities

Action

- ACLs write up meetings within the course portal reflective log
- Where necessary ACLs place actions on the action log and monitor until completion
- Course representatives feedback agreed outcomes to peers
